<https://vsbf.sciencesconf.org/>

You are cordially invited to submit your research papers (English only and in PDF files) for presentation consideration at **The Vietnam Symposium in Banking and Finance (VSBF-2016)** that will take place on **17–18 November 2016** at Hanoi, the capital of Vietnam.

This conference, jointly organized by the Association of Vietnamese Scientists and Experts in France (AVSE), the International School of Vietnam National University (Hanoi), and the International Society for the Advancement of Financial Economics (ISAFE), aims to bring together academics, practitioners and policymakers sharing their research findings and discussing current and challenging issues in banking and finance. The Symposium is also an ideal occasion for Vietnamese scholars to exchange research experiences and develop research projects with their international colleagues.

### Topics

The scientific and organizing committees welcome submissions in all areas of banking and finance presentation at the conference no later than **15 September 2016**. Early submission is highly encouraged and decision is made as soon as the review is completed.

The main topics of the conference include, but not limited to: Banking regulation and financial services; Corporate finance, IPOs, SEOs, M&A; Dynamics of international capital markets; Emerging markets finance; Financial markets, institutions and money; Financial policy and regulation; Market linkages, financial crises and contagion; Portfolio management and optimization; Risk management; Securitization; Financial modeling; Finance and sustainability; Financial econometrics; Financial engineering and derivatives; Capital market integration; Behavioral finance; Investment funds; Macro-financial linkages; Corporate governance; Market behavior and efficiency; Asset pricing and allocation; Market microstructure.
